

Tochnog Professional Conditions, Version Date 30 December 2023

The conditions below are an agreement between Dennis Roddeman and another party named the USER.

CONDITIONS: TOCHNOG PROFESSIONAL PROGRAM (referred to as SOFTWARE)

These conditions below are the only valid conditions, there are no other conditions either written or non-written. By using the Tochnog Professional program you agree to fully understand and accept these conditions.

Dennis Roddeman's rights

USER acknowledges that the SOFTWARE is the sole and exclusive property of Dennis Roddeman. The Tochnog Professional program is copyrighted and owned by Dennis Roddeman.

Suitability

Dennis Roddeman makes no warranties as to the suitability, accuracy, or operational characteristics of the SOFTWARE and support. The SOFTWARE and support are given or sold on an "as-is" basis. USER does not have any financial or legal rights.

CONDITIONS: CALCULATIONS AND SUPPORT

Dennis Roddeman activities

Below the Dennis Roddeman activities refer to Dennis Roddeman programming services, Dennis Roddeman support, Dennis Roddeman calculation results with the Tochnog Professional program and all other Dennis Roddeman interaction with USER.

Only use the Dennis Roddeman activities if you accept the conditions

This section specifies under which conditions Dennis Roddeman activities can be used. USER agrees to the terms of these conditions by the act of using in any form the Dennis Roddeman activities. In case you do not want to accept these conditions, do not use the Dennis Roddeman activities in any form.

Suitability

Dennis Roddeman makes no warranties as to the suitability or accuracy of the Dennis Roddeman activities for any purpose. The Dennis Roddeman activities are given to the USER on an "as-is" basis.

Limitation of liability

USER agrees that Dennis Roddeman has no liability whatever for any damages to the USER or to any other party. Dennis Roddeman will not be responsible for any direct, indirect, incidental, or consequential damages resulting from the use of the Dennis Roddeman activities, even if Dennis Roddeman has been advised of such damages. These Dennis Roddeman activities are given or sold "as-is".

Dennis Roddeman does not want to get and actually will not get any confidential data from USER. Dennis Roddeman does not want to get and actually will not get any confidential data which has IP value from USER. Dennis Roddeman does not want to get and actually will not get any support requests from USER which involve in any way confidential data or data with IP value. USER itself is responsible to check that only data or support requests are given to Dennis Roddeman which are non-confidential and have no IP value.

USER does take care that Dennis Roddeman when invited to visit USER, will not see, hear or get anything with confidential value or with IP value. USER agrees that all data and information that Dennis Roddeman finds in support time for USER, is non-confidential and has no IP value. USER has no legal rights to take Dennis Roddeman to court on the topic of confidentiality and IP rights.
